Overview

The King County Jobs Initiative (KCJI) is a workforce development program that reduces poverty. The program:

- Assists low-income individuals involved in the criminal justice system with vocational skills training and employment.
- Works with employers by providing skilled and ready to work applicants at no cost.
- Provides services through account executives, who work with both applicants and employers to ensure successful job placement.

2010 Winner of the Governor's Best Practice Award

King County Jobs Initiative
